

## Iris Aneas

Iris Aneas was born in Barcelona in 1980. She composes, writes, produces and sings electronic pop music. Having graduated in electronic arts and digital design, she has always been fascinated by computers. She started to compose by chance and sing by accident. She is self-taught in music and independent. " Iris and her intimate world, without the pressure of the outer world noise. She believes in the accidental creation process, her sounds look for the unexpected.

Melodic, sensual, sweet and emotional, her music searches for a trip to youth....and her desire is to compose and sing everyday." "...the way she sings flood a rhythm divided into programming and sounds made of helium, if a girl whispered me "take your time" as she does I could tenderly die" Juan Monge, GO mag " ...and Iris' digital velvet" by Tomas F° Flores (Radio3): " Lo que traerá el 2007" (Heineken.es) " Iris delights our palate as a good glass of wine, her project goes out of our borders" Juan Pedro González , Bon Vivant Records " Iris is an artist trapped in the music webs who sings in a PJ Harvey style but infected by a virus called electronic.

Her excellent performances in Sonar2006 and Popkom wishes her a brilliant future." www.suburban-lab.com Past Events Festivals SONAR'07 (Radio3 stand) SONAR'06 (Barcelona) POPKOMM (with Barbara Morgenstern, Berlin) IRVENE (Gran Canaria) L.E.M (Gràcia Territori Sonor, Barcelona) 5a mostra d' art sonor (Barcelona) Femelek 2007 (Barcelona) Music e-motion (with contemporary dance) Trenk-Art Festival (Tarragona) Tour with Monika Enterprise " 4 women no cry": Sheune, Dresden Caffè Wagner, Jena NBI, Berlin Spitz, London Clubs Apolo.
